volume 7

It's the morning after an all-nighter. The hot, springtime sun burns into my eye sockets like fire. I stop my beloved car, City, beside a field and breathe the fresh, country air and the smell of grass into my nicotine-scarred lungs. Koff. Koff. A brownish-green blotch on one of my radials catches my eye—a lumpy, gooey thing with the texture of old hay. Why, it's a giant dog turd pressed deep into the tire grooves. Yeaaaaargh!

—Akira Toriyama, 1982

Akira Toriyama's first weekly series, **Dr. Slump**, has entertained generations of readers in Japan since it was introduced in Shueisha's **Weekly Shonen Jump** magazine in 1980. A few years later, he created his wildly popular **Dragon Ball** series, which brought him international success. Toriyama is also known for his character designs for video games, including **Dragon Warrior**, **Chrono Trigger** and **Tobal No. 1**. He lives with his family in Japan.

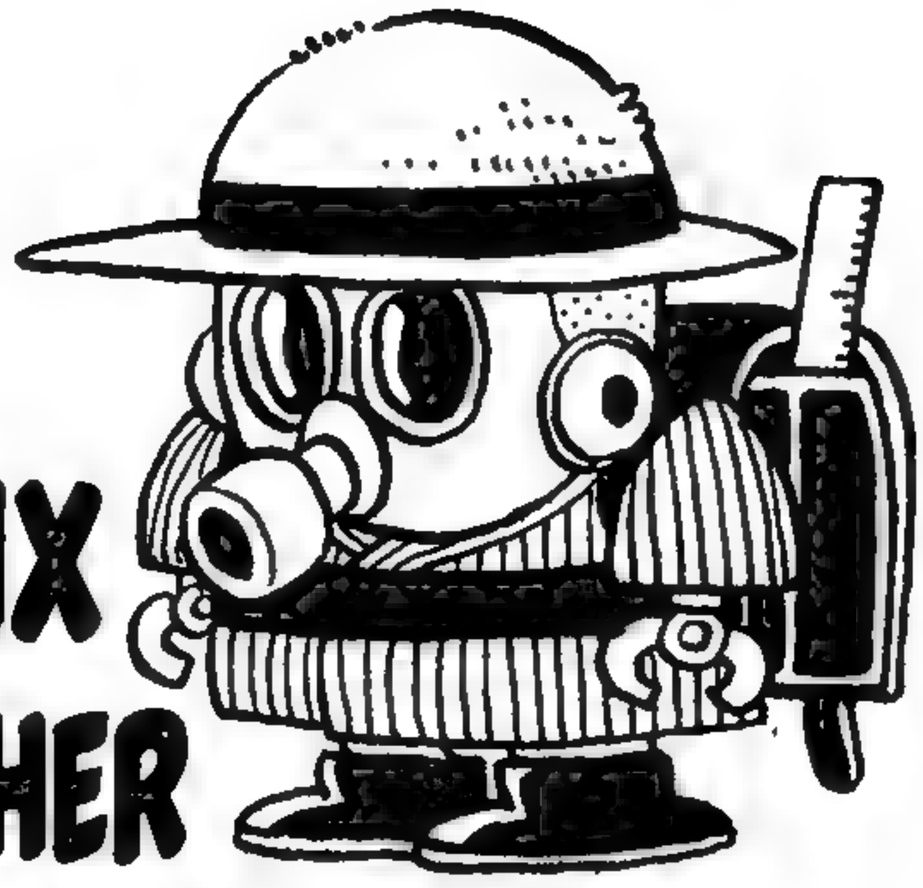
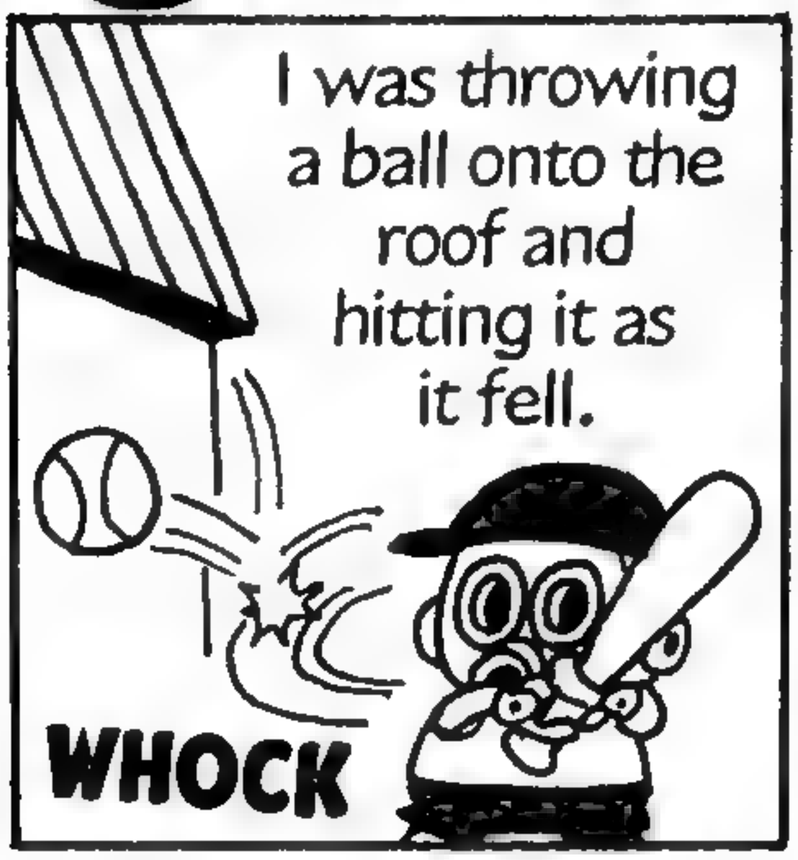
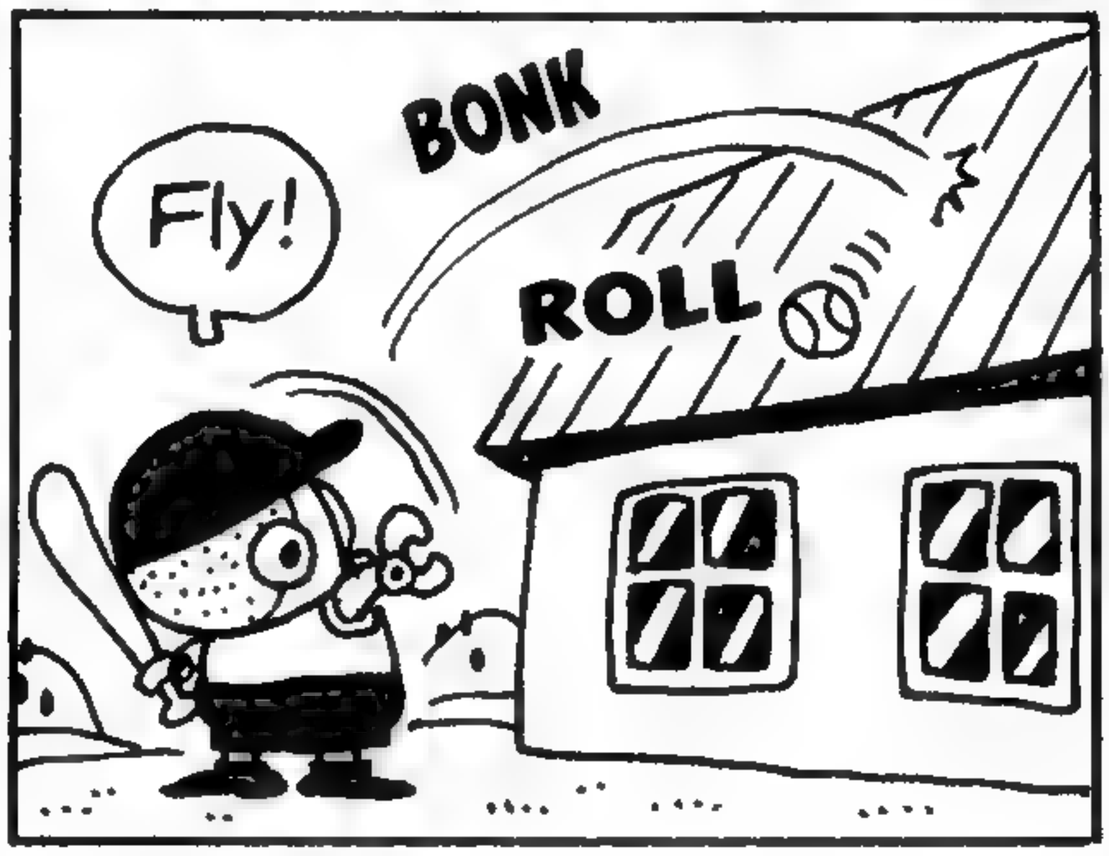
ME BACK THEN REDUX

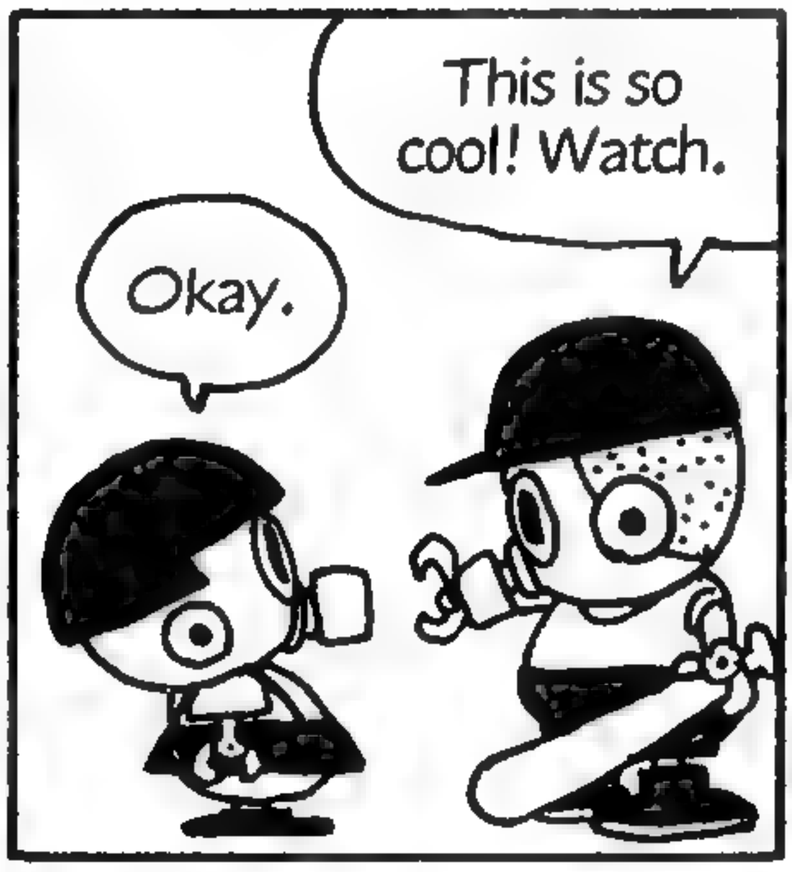


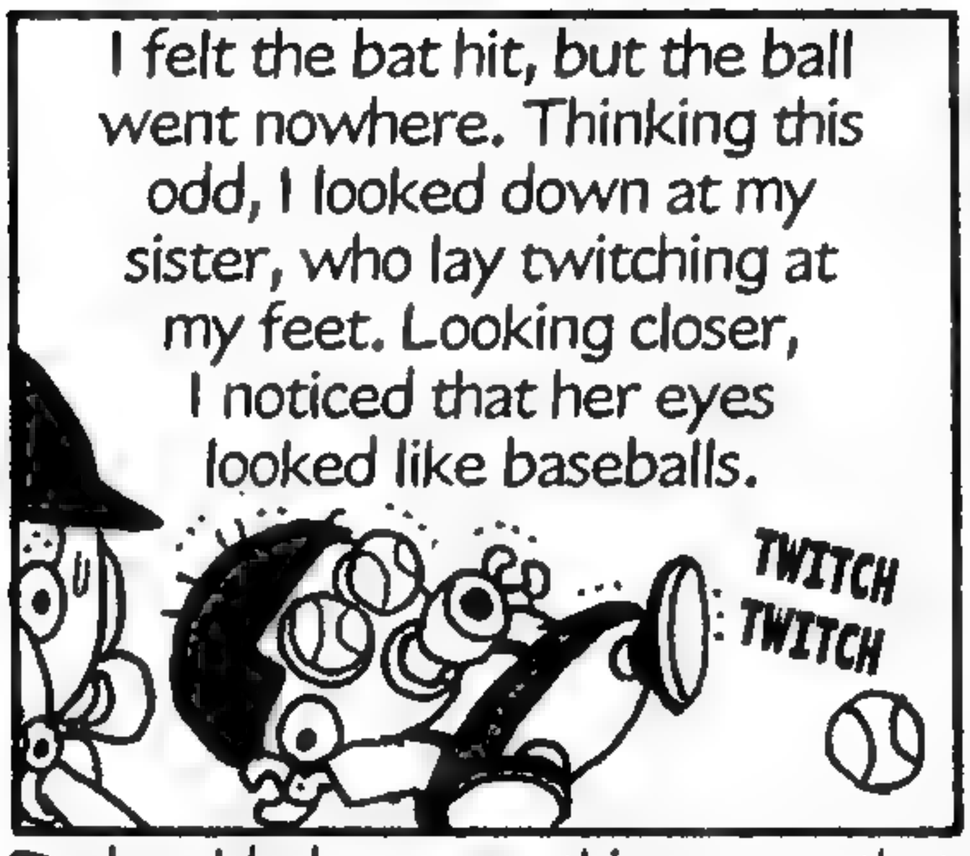
1 I AM A KIND BROTHER



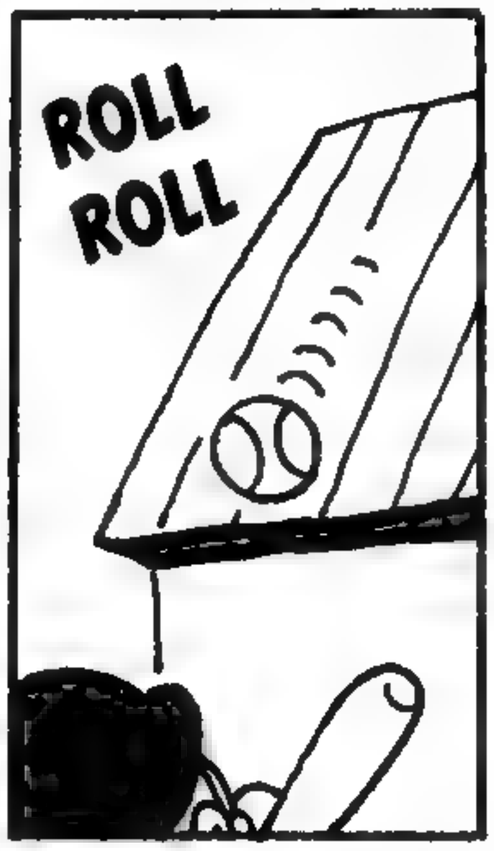


It happened in grade school ...





I felt the bat hit, but the ball went nowhere. Thinking this odd, I looked down at my sister, who lay twitching at my feet. Looking closer, I noticed that her eyes looked like baseballs.
TWITCH
TWITCH



Dad scolded me something crazy that night.

My Toilet Paper

1 Once upon a time there was a really rural town.

2 "Oh no, oh no, Mr. Mayor!"

3 "Yes, little Peasuke? Whatever is the matter?"

"It's horrible, sir. The town has run out of toilet paper."

"Out of toilet paper...? No-o-o-o..."

4 A town meeting was called to discuss the problem. "People, these are dire times. We must fix this problem, or stink. Some brave soul must offer to go to the super-market and buy more to-day. Who will it be?"

8 "What? You mean I have to go?"

7 Just then Akane spoke...

"Let's have the handsomest hero of all go."

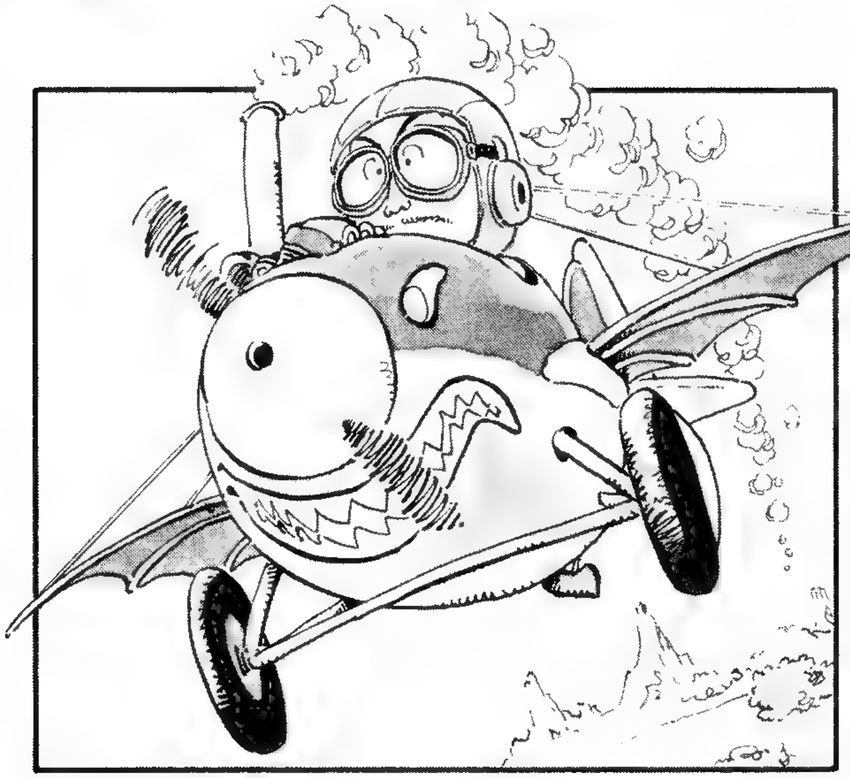
6 "I will not," said Suppa-man bravely.

5 *Mutter, mutter. Whisper, whisper.*

No one wants to go. Why? Because a horrible monster lives on the way to the super-market.

"Hey, Suppaman. You go. Aren't you the champion of justice?"

9 No one complained, though they had wished for a more dashing hero.
"Good luck, Senbei," said the Mayor, handing him a bag of coins.
"Heh heh heh. Leave it to me. This plane is my own design. I have nothing to fear."



10 *Vroooom.*
"God speed. And come back quickly. We need to use the bath-room fast."
Senbei's air-plane zoomed into the sky, followed by the villagers' cheers.

11 *Splut splut.*
Vwooom.
Babooom.

The plane was soon grounded by engine trouble. "Owww."

12 "N'cha."

Two children appeared from no-where.
"Huh? What are you doing here?"

"We are Arale and Gatchan, friends to good little boys and girls every-where. Are you a good child?"

"Oh yes, I'm good."

13 "Ooh ho ho h-o-o-y. Then you are our friend."

"Thank you."

And so the three headed off to the super-market to-gether.

14 Soon they came to a giant chasm.

"Wow, that's a long way down."

"Ho-yo, that's a long way down."

Gatchan said nothing.

15 "Very well. I will show you how to jump. Watch what I do and follow. One, two, three..."

16 "Yeeaarrgh."

Senbei plummeted headlong down the chasm.

"Ho-yo. Interesting technique."

17 "Yeeaarrgh."

Arale watched what he did and followed.

18 "Wee hee. That was fun."
"Y-Yes. Fun. Ha ha."

Such good times, but just then...

READ THIS WAY

19 "Roooooooooooowrrr."

The terrible monster appeared with a horrible scream. This was his home.

"Yikes."

20 "Avast, monster. I will defeat you," said Senbei, bravely drawing his sword.

21 Harrrrrr rrrrrrrr.

22 He lost.

BOTE!

23 "Mmmmph. I'm not through with you."

Senbei dusted himself off and stood up.

24 The monster was Arale's pet.

Shake.

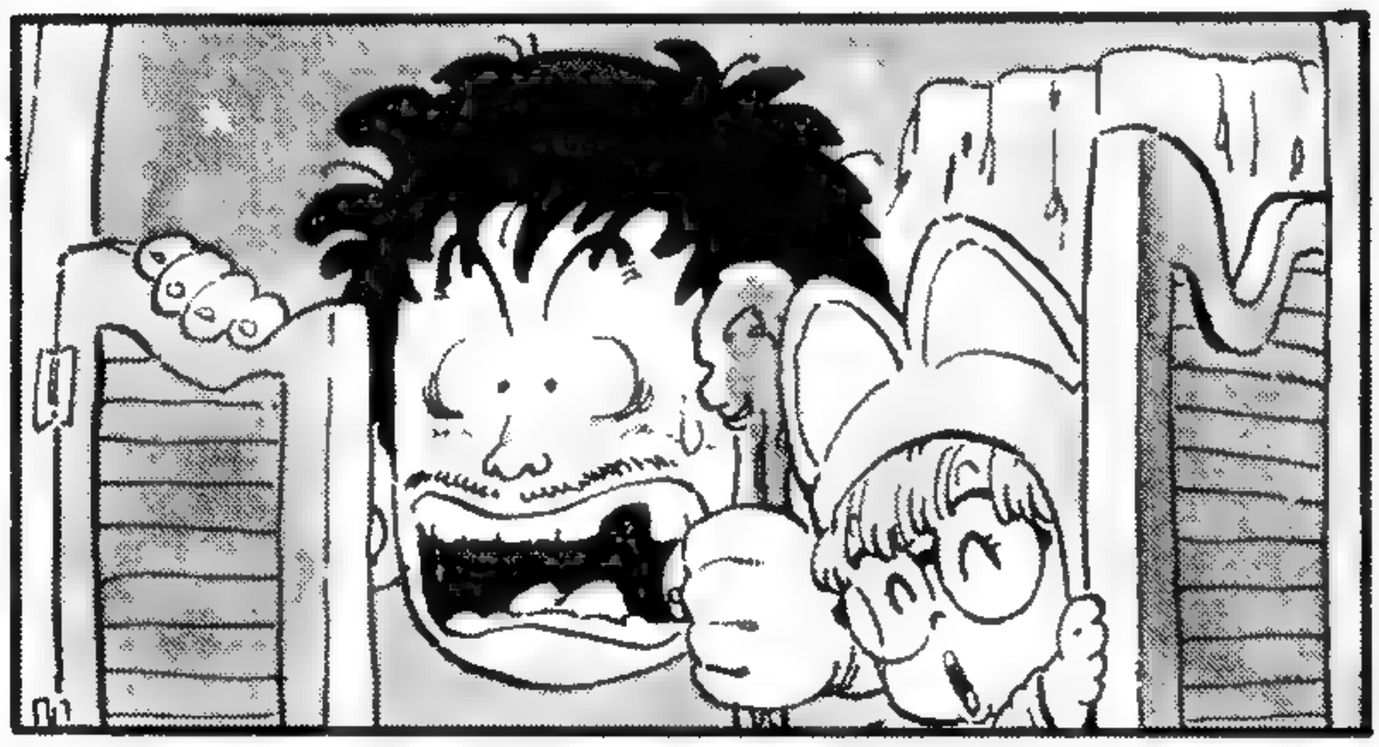
SSA

DEN!

SUPER MARKET

25 After crossing a treacherous mountain pass, the intrepid band finally arrived at a lighted store-house.

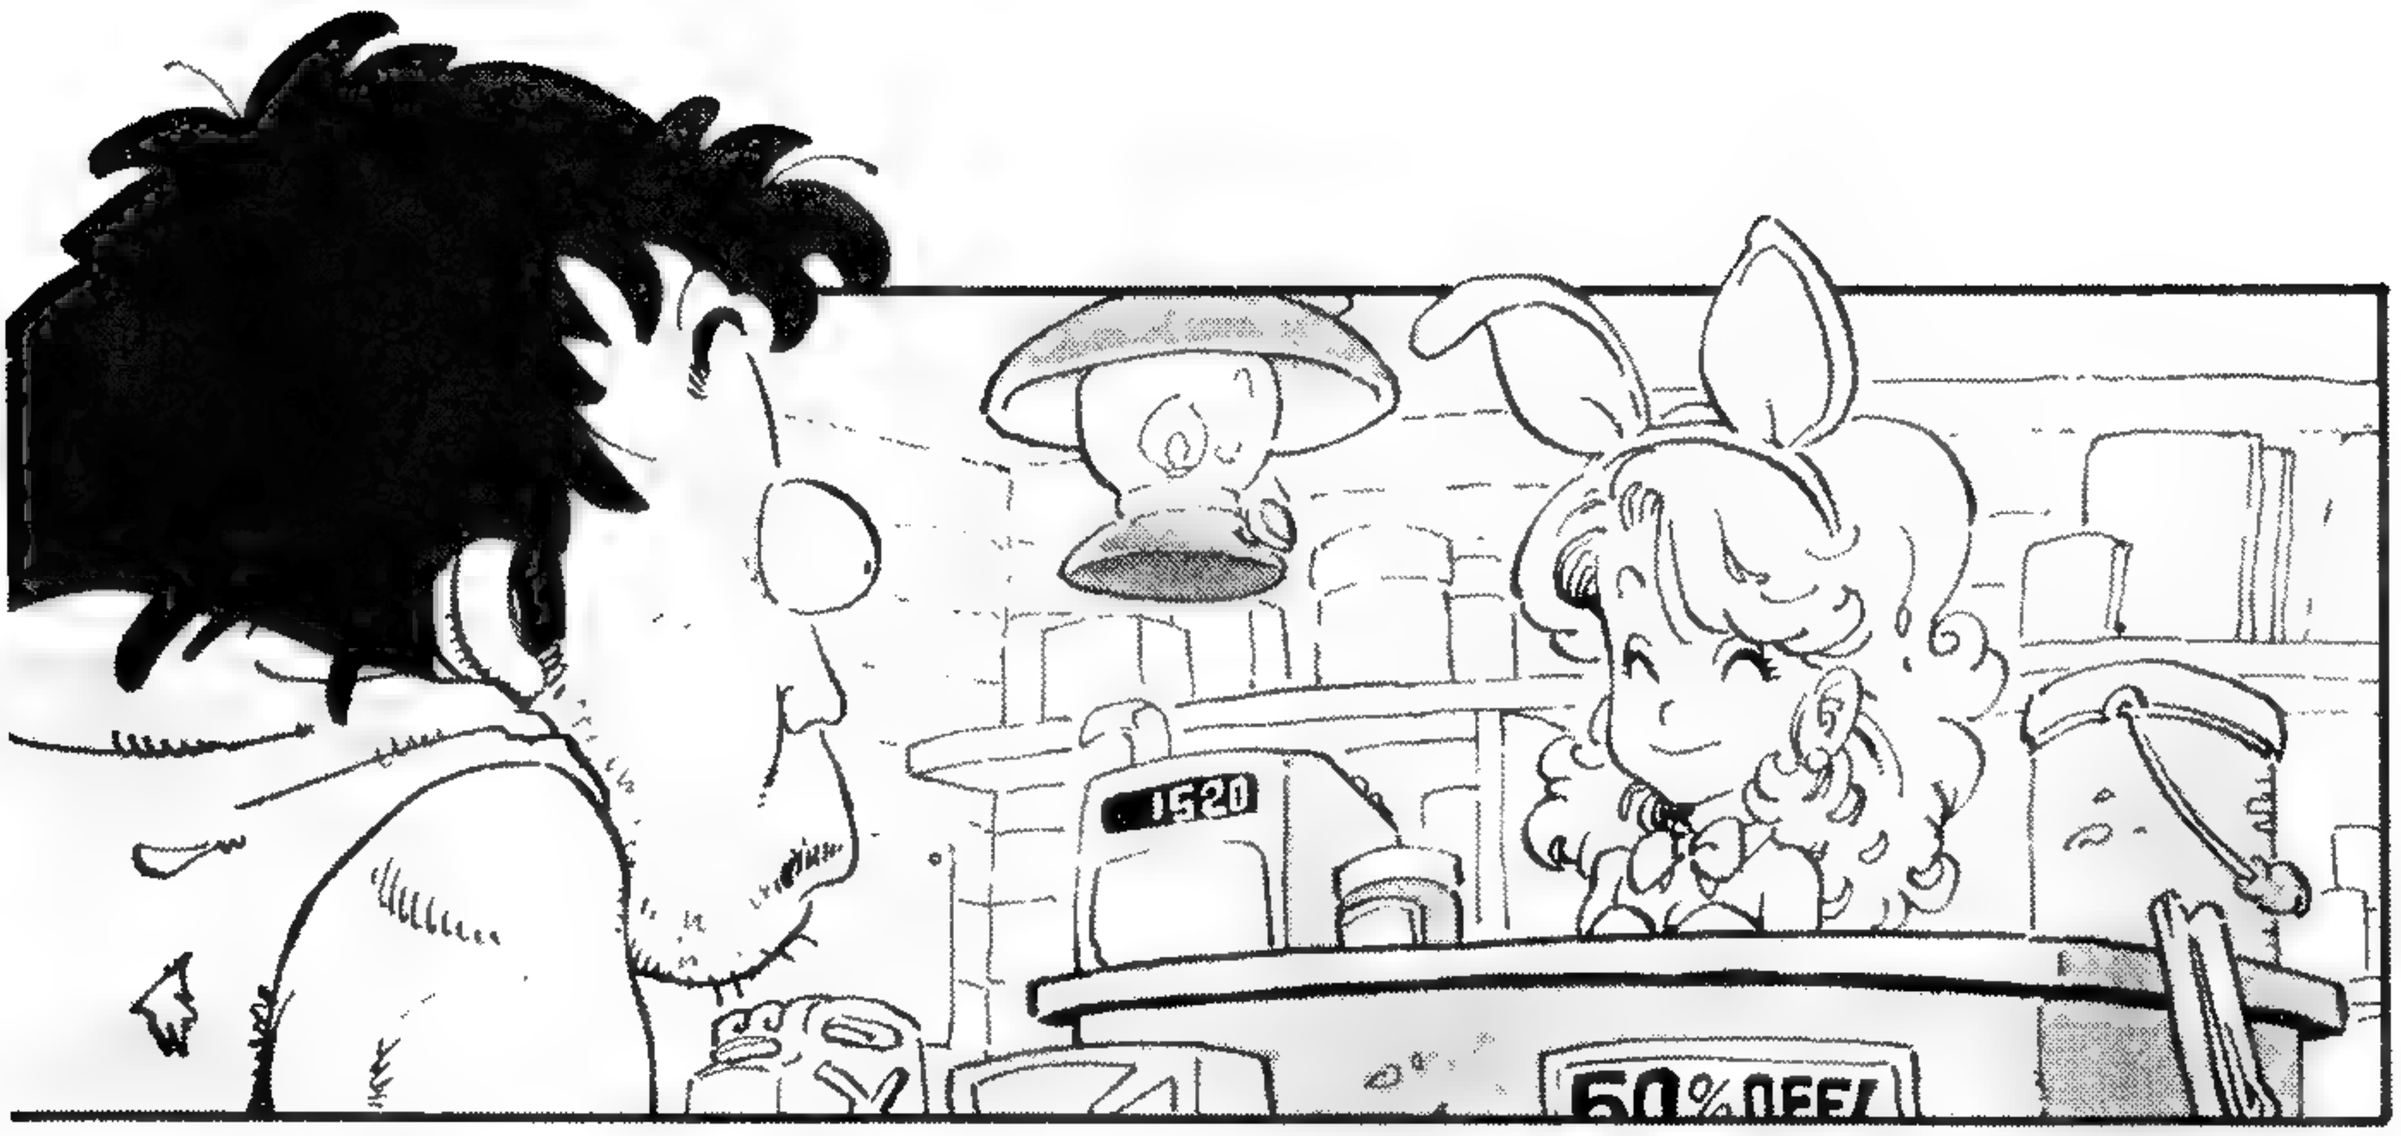
"It's the super-market."



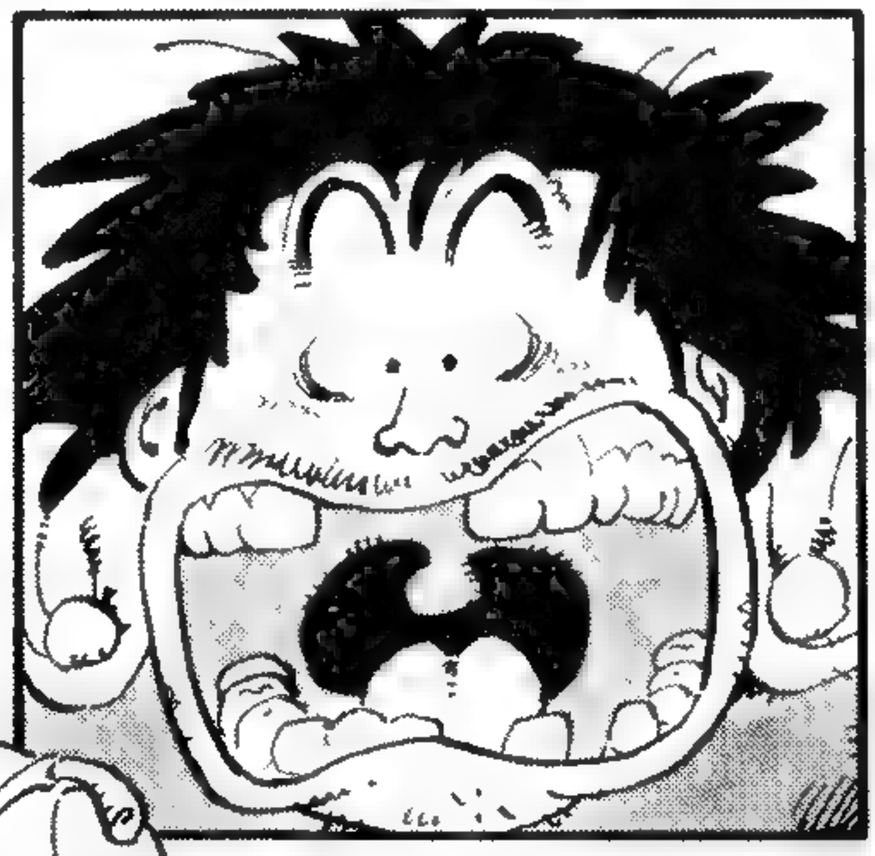
26 "Is anyone home?"

Senbei called out with his last remaining strength.

27 "Welcome to our store." Inside was the beautifulest woman Senbei had ever seen.



29 "Please make me your boy-friend!"
"Certainly, sir."



28 "Oh ho ho. Shopping are we? How may I help you?"

30 And so, though it boggles the mind, the two were wed and lived happily ever after. Congratulations!

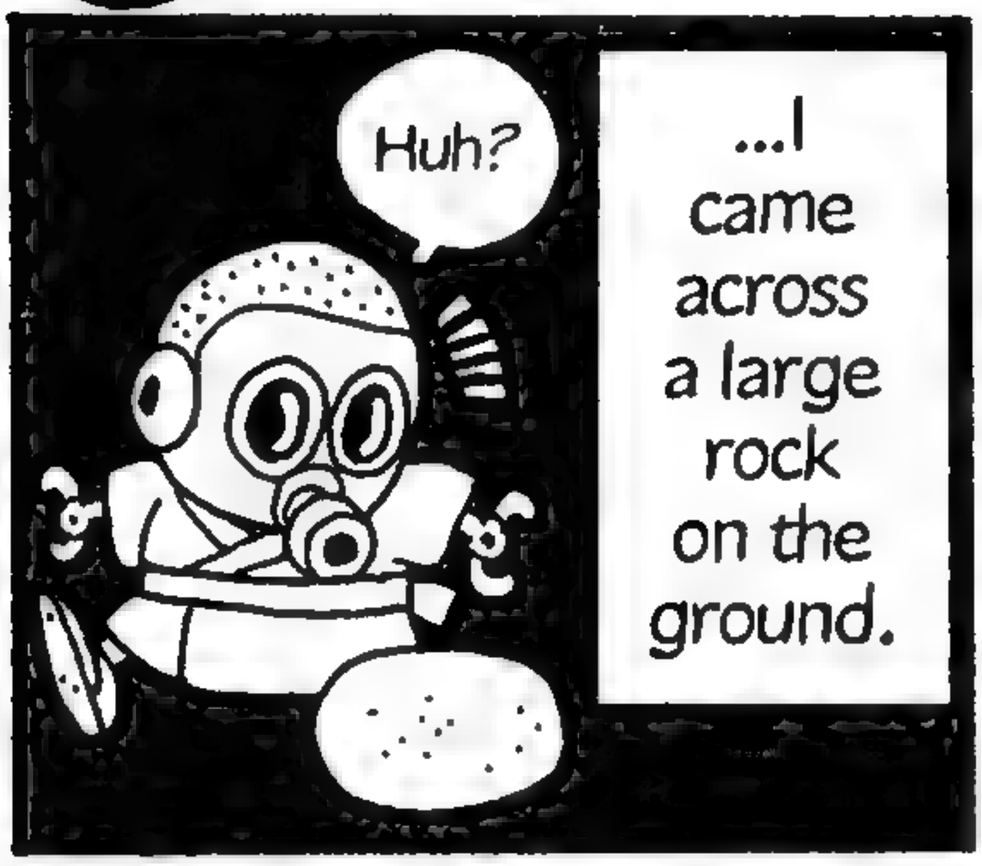
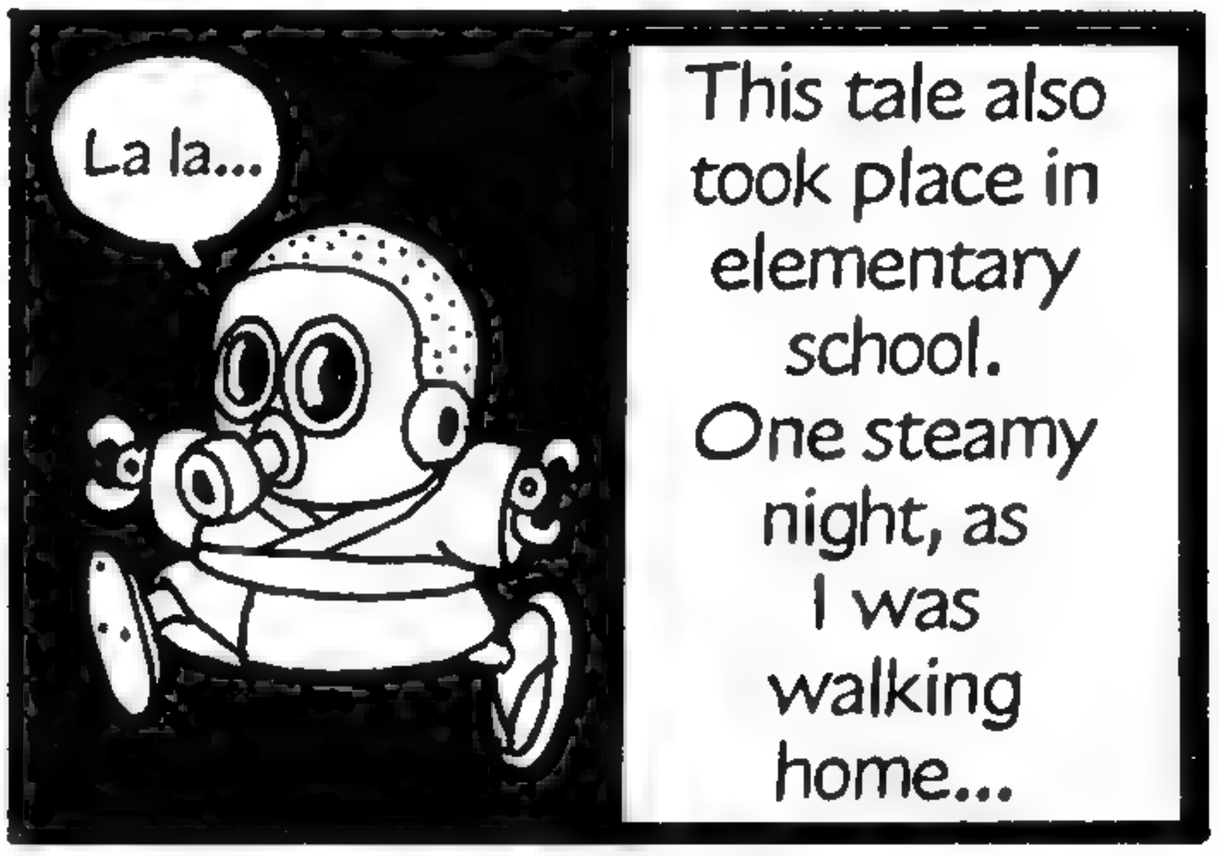
ME BACK THEN REDUX 2 A MIDSUMMER NIGHT'S MYSTERY



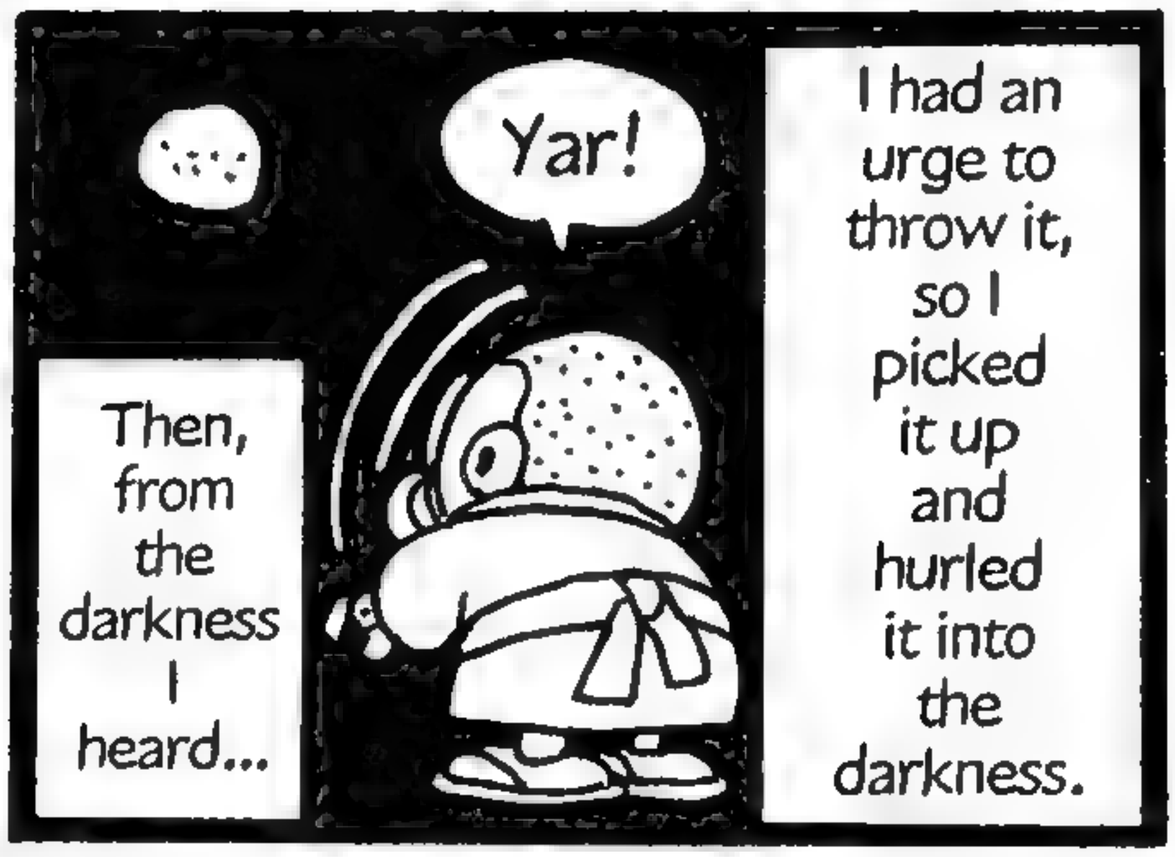
...I came across a large rock on the ground.



This tale also took place in elementary school. One steamy night, as I was walking home...

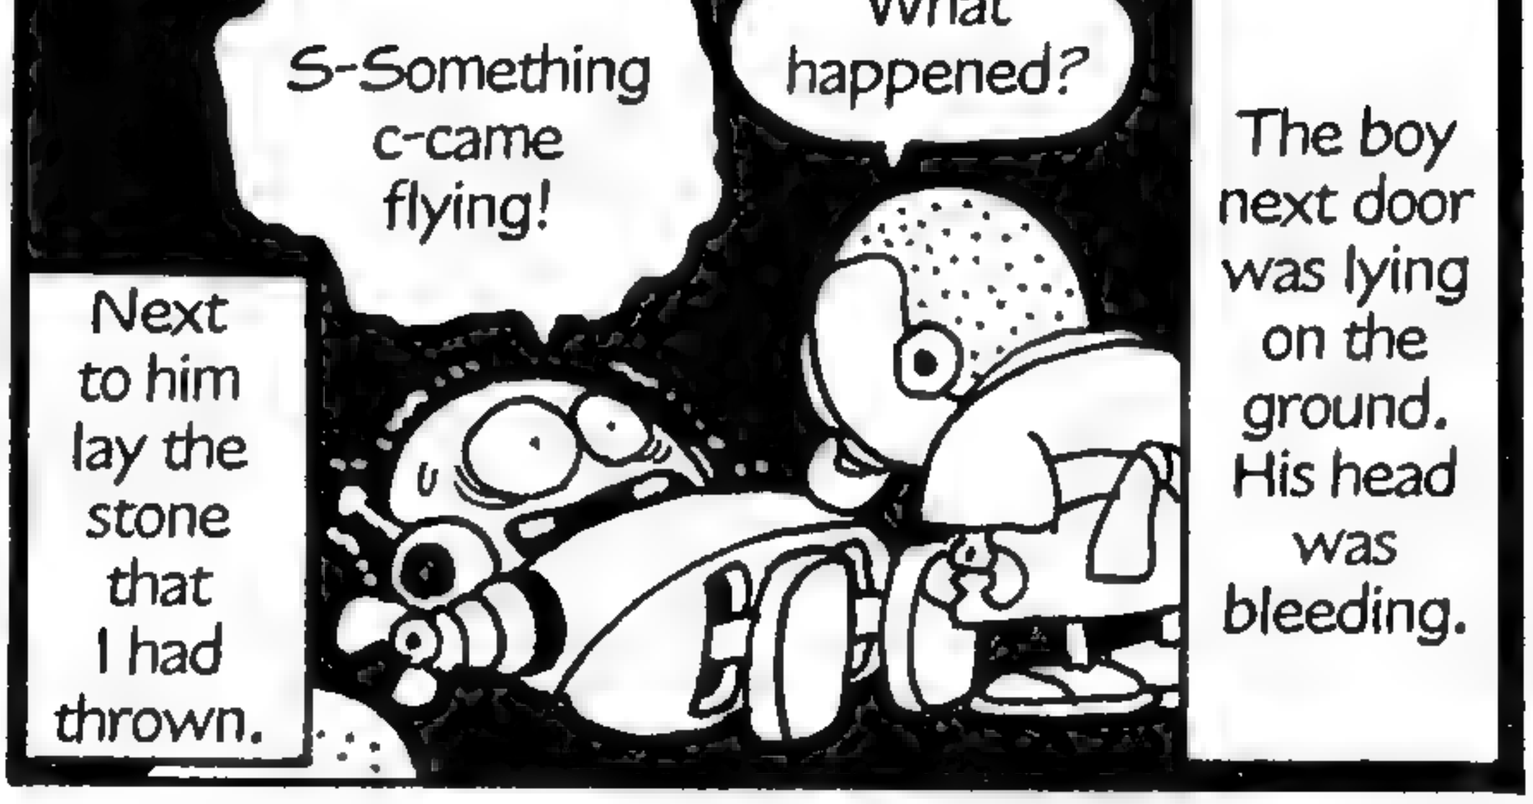
...a voice! Wondering what it was, I walked in that direction...

Then, from the darkness I heard...



I had an urge to throw it, so I picked it up and hurled it into the darkness.

Dad scolded me something fierce that night.



Next to him lay the stone that I had thrown.

The boy next door was lying on the ground. His head was bleeding.
